HON. THOMAS CAREY, PRESIDENT OF THE CHICAGO LIFE INSURANCE COMPANY AND CHAIRMAN OF THE CAMPAIGN COMMITTEE TO RAISE ONE HUNDRED THOUSAND DOLLARS FOR A GREATER FORT DEARBORN HOSPITAL AND TRAINING SCHOOL FOR COLORED NURSES, ISSUES THE FOLLOWING APPEAL TO THE COLORED CITIZENS OF CHICAGO—

CHICAGO, SEPTEMBER 8, 1921

I wish to state that a number of leading citizens called upon me to accept the General Chairmanship of the Fort Dearborn Hospital and Training School for Nurses in their fund-raising campaign for \$100,000. I hesitated for some time, owing to the many business interests with which I am connected, that requires my personal attention, and I was loath to accept the honor at this time, but after listening to their most worthy and human appeal, I investigated the institution and the men who were directors and advisory members of the board, and found them some of the prominent business men residing in the immediate community, in whom the management could safely be entrusted for the benefit of the masses, second to none, and that the Fort Dearborn Hospital and Training School for Nurses, being a real public institution, controlled by public spirited men for the public good, with a

charter, not for profit, and not owned by physicians, have a right to appeal to the public at large for funds to carry on the work of the institution of which a large part is charitable. Therefore, I consented to be the General Chairman of the campaign, and have surrounded myself with many of the leading white and colored men and women to carry on this movement.

Therefore, I now ask and desire loyalty and co-operation from the colored men and women as well as the white people who can be served in the area of this institution for their hearty support. I have every reason to believe that my request will be granted and that a Greater Fort Dearborn Hospital and Training School will become a reality within the next thirty days, and that it will stand out as a monument to the Community's Progress.

Thomas Carey,
General Chairman.

Rev. Father Edward A. Kelly Commends the Movement on the Part of the Colored People to Acquire a Larger Hospital in This City.

The following letter speaks for itself:
St. Anne's Church, 153 West 55th street. Mr. Julius F. Taylor. My Dear Mr. Taylor: I notice in The Broad Ax that a movement is on foot to erect a larger hospital for the colored people of Chicago.

This is a most commendable undertaking and the colored citizens are to be congratulated on their desire to care for their sick brethren and they should be encouraged by every citizen of Chicago in a substantial way—to place in our midst an institution where their people can receive proper training to enable them to care for the poor and infirm of their own race. The Hon. Thomas Carey being chairman of the committee means the movement will be a success.

Your friend,
E. A. KELLY, Pastor.

Sunday, Sept. 11.
On Tuesday evening, our old highly esteemed friend, Mr. Noah D. Thompson and his good wife, Mrs. Thompson and the sixteen year old son of Mr. Thompson, passed through this city on their way to their home at Los Angeles, Calif. They have spent the past month in visiting with relatives and friends in the east. The writer had a pleasant chat with him over the phone, just as he was about to depart for his western home from the Northwestern Depot.
